

SAFE WATER AFRICA

Spring 2023 Update

www.safewaterafrica.com

FACT

Access to safe drinking water is one of the biggest humanitarian crises around the world affecting almost 800 million people

FACT

Unsafe water and lack of sanitation kill over 30,000 people each month with children affected the most.

FACT

Safe clean water at one church can attract thousands from nearby villages to share the water and then share the Gospel!

Our Mission

To empower rural pastors to spread the Gospel in Tanzania. By providing safe clean water to these rural pastors and churches, we help meet the humanitarian water crisis and provide them with an outreach tool to invite villagers to share the “living water” and hear the Gospel of Jesus Christ.

Our Progress

To date, we have completed **Sixty-seven (67)** Safe Water projects in Tanzania. They are all are located on rural church grounds in **19** different regions.

<http://www.safewaterafrica.com/our-projects/>

Our Plans

We are currently raising funds to install an additional **8 projects in 2023**.

Taking safe clean water at Calvary Church in Mara Region, Tanzania

School children at water project near Mara, Tanzania

Joel and Hilda Rugano with children at water project near Mara, Tanzania

Thank you to those of you who have supported our mission. Many thousands of men, women and children are being rescued with safe water and hearing the Gospel for the first time. Our directors fund administrative expenses, and we have zero staff salaries so 100% of your donations go directly to clean water projects. If you would like to help fund a project, you may donate at:
