

NABERERA VILLAGE IN SIMANJIRO DISTRICT, MANYARA REGION

OUR MISSION

To empower rural pastors to spread the Gospel in Tanzania. By providing safe, clean water to these rural pastors and churches, we help meet the humanitarian water crisis and provide them with an outreach tool to invite villagers to share the “living water” and hear the Gospel of Jesus Christ.

OUR PROGRESS

To date, we have completed eighty-three (83) Safe Water projects in Tanzania. They are all located on rural church grounds in **24** different regions.

OUR PLANS

We are currently raising funds to install an additional **12** projects in 2024/25.

NABERERA VILLAGE IN SIMANJIRO DISTRICT, MANYARA REGION

Access to safe drinking water is one of the biggest humanitarian crises around the world, affecting almost 800 million people.

Unsafe water and lack of sanitation kills over 30,000 people each month, with children affected the most.

Safe, clean water at one church can attract thousands from nearby villages to share the water and then share the Gospel!

We have completed 83 projects to date.

Thank you to those of you have supported our mission. Many thousands of men, women and children are being rescued with safe water and hearing the Gospel for the first time. Our directors fund administrative expenses, and we have zero staff salaries, so 100% of your donations go directly to clean water projects.
